Kit Cost: \$112

Kit Contents: 18-count Zweigart butter cream mono canvas, needles, pearl cotton, Sparkle Rays, Very Velvet, Kreinik metallic braid, Neon Rays, Wildflowers and spider button.

The centerpiece of this unusual geometric design is the striking black spider button, which is surrounded by a ring of eight witch hats with interesting composite fillings. The jack o'lanterns in the corners and the fancy 6-step border also fit the Halloween theme. Instead of a background pattern, some elegant oblique couched cords are used to fill the open areas between the hats. This class promises to be fun as well as educational!
