Join me as we create this delightful and silk ribbon garden which is really a study of the Knotted Stitch. There are ten stitch variations of knots in the design, as well as the straight stitch, and the Japanese Ribbon Stitch. Overdyed silk ribbons in both 4mm and 7mm widths, Caron Wildflowers, Waterlilies, Needlepoint Silks, and pearl cottons are used to embellish the dimensional garden scene which is stitched on a photo transferred congress cloth.
