

305: Autumn Stars

Skill Level: Intermediate

Technique: Realistic Shading, Goldwork

Design Area: 7 ½" x 8"

Teacher: Sandy Rodgers

Kit Cost: \$107

Kit Contents: Congress cloth, black or chocolate spice, with design drawn; silks, metallics, metal threads, pigment pen, numerous photographs, outstanding instructions.

Glorious stars of a magnificent autumn season tumble over a golden trellis which cannot contain their brilliant beauty. Gold tendrils enhance and give depth, contrasting with either black or chocolate-spice background. We'll learn Sandy's famously easy techniques for shading, attaching bullion, creating the exquisite trellis, and even how to use pigment pens. Lots of photographs and detailed instructions will show just how to do it. Plus, there will actually be time for stitching during class!
