Any Butterfly collectors out there? Captured in bargello, this butterfly will tickle your sense of color. Learn how the manipulation of a traditional pattern led to a delightful representation of one of nature's delights. Stitched on 18 count canvas using Silk & Ivory threads as well as #3 pearl cotton, this design stitches up quickly and can be finished in a variety standard frame shapes making it a versatile design and easy to finish. Students will learn the basics of bargello embroidery, how to follow a design pathway, and understand how color can create dimension.

This design is easy enough for a beginner and interesting enough for those well versed in bargello.

Three color-ways will be available; the original pictured above, plus

the Monarch,

and the Blue Morpho.

Wendy Moore tries to bring both her MFA degree in Costume Design and fourteen years of teaching to her needlework design and teaching, with a great interest in color theory and computer work. She teaches her designs locally and has received the National Academy of Needlearts' Level I certification in canvas embroidery, and is currently working diligently on Level II. It is one of Wendy's goals to bring other forms of counted thread work to canvas designs. In addition to NAN & EGA, she is also a member of ANG Great Lakes Stitchers Chapter. She has held many offices for Monguagon EGA chapter and Great Lakes Region EGA.
